*The Rotary Club of Millbrook salutes our community heroes!
We will be forever grateful to the countless men and women
who provided essential services during the Covid-19 pandemic.
These essential workers provided care, services and supplies from
so many industries — from healthcare and first responders
to teachers and grocery store clerks.*

THANK YOU ALL!

The Rotary Club of Millbrook has 35 active members, all of whom are dedicated to Rotary's good works. Rotarians are "People of Action" and each day our members pour their passion and knowledge into projects that benefit our communities such as this *Business Directory*. We are part of the worldwide 1.2 million members in the Rotary community where neighbors, friends, and problem-solvers share ideas and take action locally and globally to create positive change.

Our 19th Annual *Business Directory* is distributed throughout Northern Dutchess County, as well as the Northwest Corner of Connecticut and Southern Berkshires in Massachusetts, and provides our friends, neighbors and visitors with a useful reference tool to connect with local businesses and organizations.

On our cover this year, we celebrate and honor the thousands of frontline workers who continued to care for our community and provided essential services under lockdown conditions, facing fear of the unknown every day. You will recognize many of the faces on the cover because these local heroes are our friends and neighbors — they are the bedrock of our community.

Take a few minutes to study the Faces of Rotary photographs found on pages 51-55 of the *Directory* to learn more about our club's good works, which continued despite the pandemic, in a year when our faces were always covered with a mask to keep us and those around us safe. We were proud to distribute thousands of masks throughout the region during the Million Mask Challenge. As Rotarians, there is no challenge too big to continue to serve our communities where we saw need and we will continue to do so. You can find a list of our 2020-21 donations made possible from the monies raised by our *Business Directory* project.

We ask you to support the local businesses who have invested in this *Directory* for they are our friends and our neighbors. By supporting these businesses and organizations, you become part of the economic and emotional recovery that will continue in all of the communities which this *Directory* serves, for there remains a long road ahead.

Yours in the Spirit of Rotary,

Sarah O'Connell Claitor

Dear Mona,

On behalf of the Sisters, young people and staff of Cardinal Hayes Home for Children, please extend our sincere thanks to Betty Thurst and the rest of the members of the Rotary Club of Millbrook for the generous donation of the following: 60 KN95 Surgical Masks, 650 Surgical Masks and 100 Children's Masks.

We sincerely appreciate being a recipient of these items made possible through the Rotary's Million Mask Challenge. During this time of uncertainty, it is comforting to know that the Rotary continues its service to the community and those less fortunate.

We thank the Millbrook Rotary for its ongoing support and good faith confidence in our work. May God bless all of you as you continue to enrich the lives of others.

Sincerely,

Dear Fellow Rotarians,

I write on behalf of the Food of Life/Comida de Vida Food Pantry of St. Thomas Episcopal Church to express our sincere and deepest gratitude for your generous gift of \$1,000.00 on December 10, 2020.

As you know, the COVID-19 pandemic has meant a dramatic increase in the number of families struggling to have nutritious, healthy food on the table. The number of those turning to pantries like Food of Life/Comida de Vida to make it through this unprecedented emergency continues to increase, even these many months later. Your donation will provide 2,400 meals for our hungry neighbors! Food of Life/Comida de Vida owes our success to dedicated community-minded groups like Rotary.

May God's blessings be upon you, today and forever.

Yours,

 +

Every year, millions of families around the world are made homeless as a result of natural disasters and humanitarian crises. For years, Millbrook Rotary has provided annual support to ShelterBox, a nongovernmental organization that responds immediately to these crises by providing materials that bring hope, independence and a sense of normalcy to families recovering in the aftermath of disaster.

ShelterBox fills a gap in aid provision. While food and medicine are delivered by other agencies, ShelterBox provides assistance in terms of proper shelter and essential equipment to help survivors through the first few days, weeks and months as they rebuild their lives.

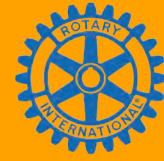

ShelterBox aid is tailored to each disaster and typically includes tented shelter, blankets and groundsheet, solar lights, cooking utensils, water purification equipment, a tool kit, mosquito nets and children's activity packs.

ShelterBoxes provide people with more than just shelter. Tents also contain items like cooking sets, solar lights, blankets, and activity sets for children.

ShelterBoxes contain family-sized tents specially designed to withstand extreme weather, including winds up to 70 mph.

"The Millbrook Rotary Business Directory has been a very useful advertising vehicle for Reardon Briggs for many years. It is a reference that people keep in their homes and consult often. Also, many of our new residents find our stores with the help of the Directory. I'm glad it is available to us."

The Four-Way Test

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
